## Happy Father's Day

A Dad is a person  
who is loving and kind,  
And often he knows  
what you have on your mind.

He's someone who listens,  
suggests, and defends.

A dad can be one  
of your very best friends!  
He's proud of your triumphs,  
but when things go wrong,

A dad can be patient  
and helpful and strong

In all that you do,  
a dad's love plays a part.  
There's always a place for him  
deep in your heart.

And each year that passes,  
you're even more glad,  
More grateful and proud  
just to call him your dad!

Thank you, Dad...  
for listening and caring,  
for giving and sharing,  
but, especially, for just being you!

Happy Father's Day
