TODAY'S SCRIPTURE

"...Give praise and thanks to the Lord of hosts, for the Lord is good; for His mercy and kindness and steadfast love endure forever! For I will cause the captivity of the land to be reversed and return to be as it was at first, says the Lord"

(Jeremiah 33:11, AMP).

Are you going through a difficult situation in your life? Today's verse is a promise from God that tells us that when we have the voice of gladness and count it all joy, when we offer up the sacrifice of praise, God will cause captivity to be reversed and whatever has been stolen will be restored. Two words I love here: "reversed and restored". No matter what is going on around you, when you stay full of joy and praise, God is going to turn things around in your favor. He is going to reverse negative situations. He's going to restore things you thought were lost for good! But notice it doesn't happen by complaining or being negative or sour. It happens when you have the voice of gladness, the voice of joy.

That means you get up in the morning with a song in your heart! You go out each day with a smile on your face. Things may not always go your way, but don't get discouraged. Shake it off and count it all joy. When you live with this attitude, you might as well get ready—God is going to reverse and restore every area of your life!

A PRAYER FOR TODAY

Father in heaven, I come to you today giving you all that I am. I choose to praise you no matter what is going on. Fill my heart with joy and help me see the bright future You have in store for me. In Jesus' Name. Amen.
